

Name: _____

COMMUNITY OUTINGS

I have read Redwood's Adult Services' letter regarding participation in community outings for Redwood adults on a spur-of-the-moment basis, and I (please check the items that pertain and sign the bottom of the form):

_____ I agree with this new procedure and don't need to sign a release each time my adult goes on an outing. My signature on the bottom authorizes this release for Redwood's Adult Services.

_____ I don't agree and I need a permission slip each time my adult leaves the Redwood building.

_____ I want the Director to call me at home to discuss this further.

For any of the programs provided by Redwood's Adult Services, the undersigned hereby assumes complete and sole responsibility for any injury to person or damages to property sustained or incurred by the applicant during any such program, including during any period or transportation provide by, or on behalf of Redwood's Adult Services. The undersigned agrees to allow the applicant to participate in community outings and in travel involved as a part of Redwood's Adult Services, sessions or periods. The undersigned accordingly releases jointly and separately Redwood's Adult Services and any agency with which any of them may be affiliated, and the officers, employees, trustees, volunteers and members of each of them, or any and all liability for such injury or damage.

Redwood staff will inform parents of each community outing in advance. You do have the choice to decide if the applicant should or should not attend this outing.

Redwood's Adult Services, guardians group residences, and case managers will reserve the right to exclude any client that is known to pose a serious risk of harm to self, staff, or other Redwood clients. Program administration will consider behavior, health, safety and potential risk before recommending exclusion.
